Dear Mother  
I hope everything is  
going on. I have had a  
nothing from you yet.  
I thought you might be  
too busy. All the children  
have got into a something  
like this. I am in about  
200 candles before me  
all in the little day  
there are always heaps  
of other many things to do  
I am sure.
